Online Payments

A faster, more professional way to get paid, built right into your time and billing workflow

- Leverage secure ePayments, custom payment plans, and shareable payment links to provide a smooth client payment experience.
- Natively built payments let you skip the manual work. Bill, track, and collect all payments without leaving Bill4Time.
- Save money with industry-low transaction rates while getting paid 70% faster than the industry average.
- Remain compliant with IOLTA and ABA trust accounting requirements with built-in safeguards for every transaction.
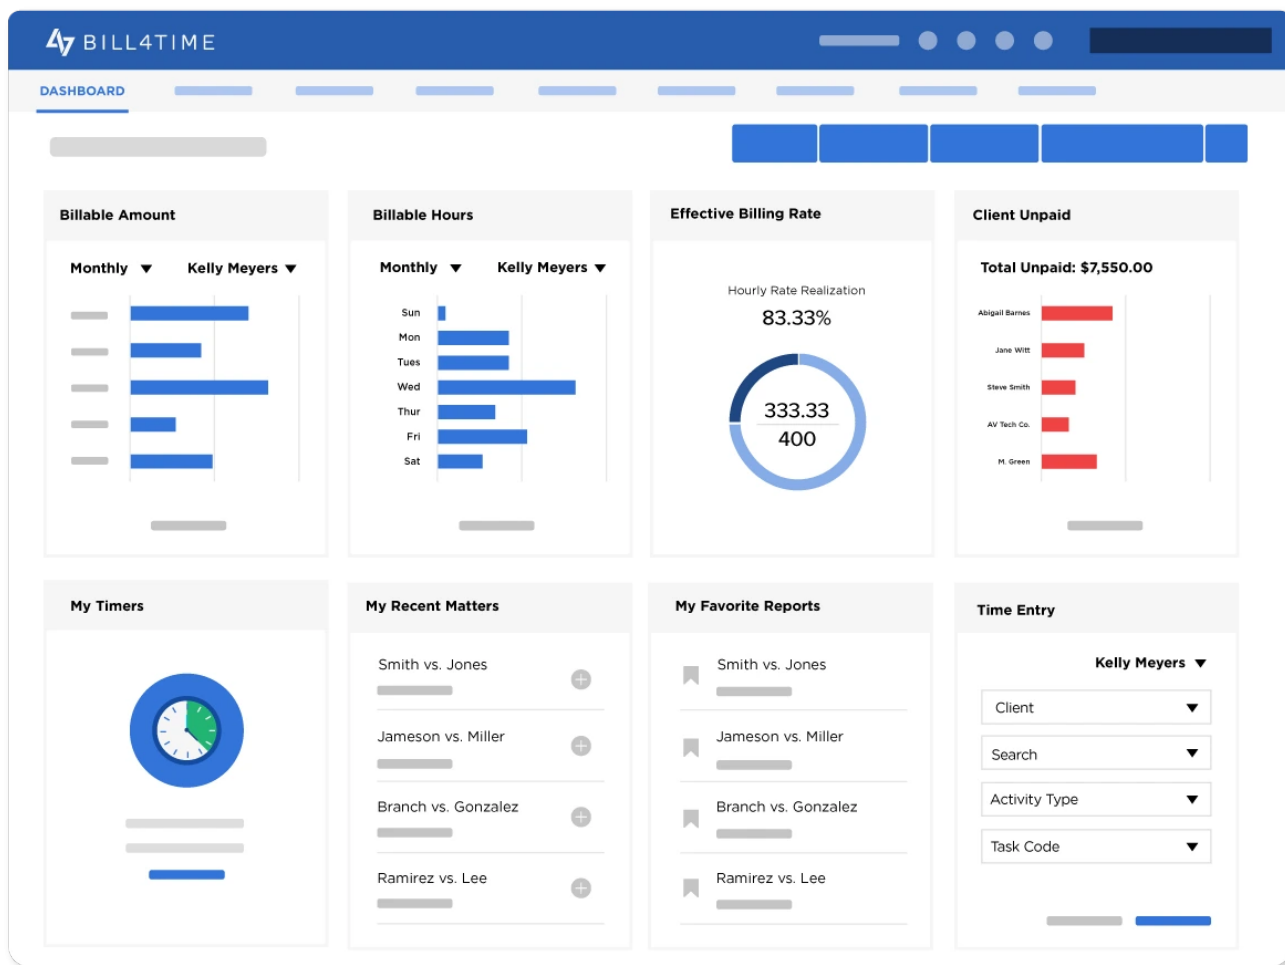

Reporting

Gain clarity and control over your firm's performance

- Interactive, visual dashboards and key reports increase clarity into firm operations and give you insight into firm-wide financial and operational health.
- View reports on all collections, aging invoices, and trust balances to quickly spot overdue payments and boost profitability.
- With bulk exporting, generate and export time, billing, and compliance reports in seconds to keep the month-end process moving smoothly.

Don't just take our word for it…

"I have used Bill4Time since starting my firm 12 years ago. It makes it super easy to track your time, generate professional invoices, send bills to clients, and get paid, all at an affordable rate."

Dan M.

Owner, Law Practice

"Bill4Time has easy to use LEDES invoicing, and great reporting functions, and you can specify the data you want to focus on. In my practice, I haven't found anything that I need that Bill4Time doesn't do."

Suzy F.

VP, Operations and Central Counsel

"The main benefit is a completely easy to use and easy to implement billing software that allows the overall billing process to be smooth and efficient for both our firm and our clients."

Shana B.

Paralegal and Office Manager

"I am a huge fan of Bill4Time for billing. Having used most of the major legal billing programs, I was blown away by how easy it was to set up matters, input time, and most importantly, generate invoices."

Keith T.

Partner, Law Practice

"Bill4Time has been an extremely helpful tool. I don't waste time with cumbersome systems trying to keep track of day-to-day practical accounting; it saves money and leaves me more time for the actual project. I couldn't ask for better than that."

Mary Ann B.

QA & Regulatory Affairs

"Bill4Time has totally simplified our workflow and billing, allowing us to grow our business without adding administrative staff. We've increased the number of cases we work on and decreased time spent on reporting and billing."
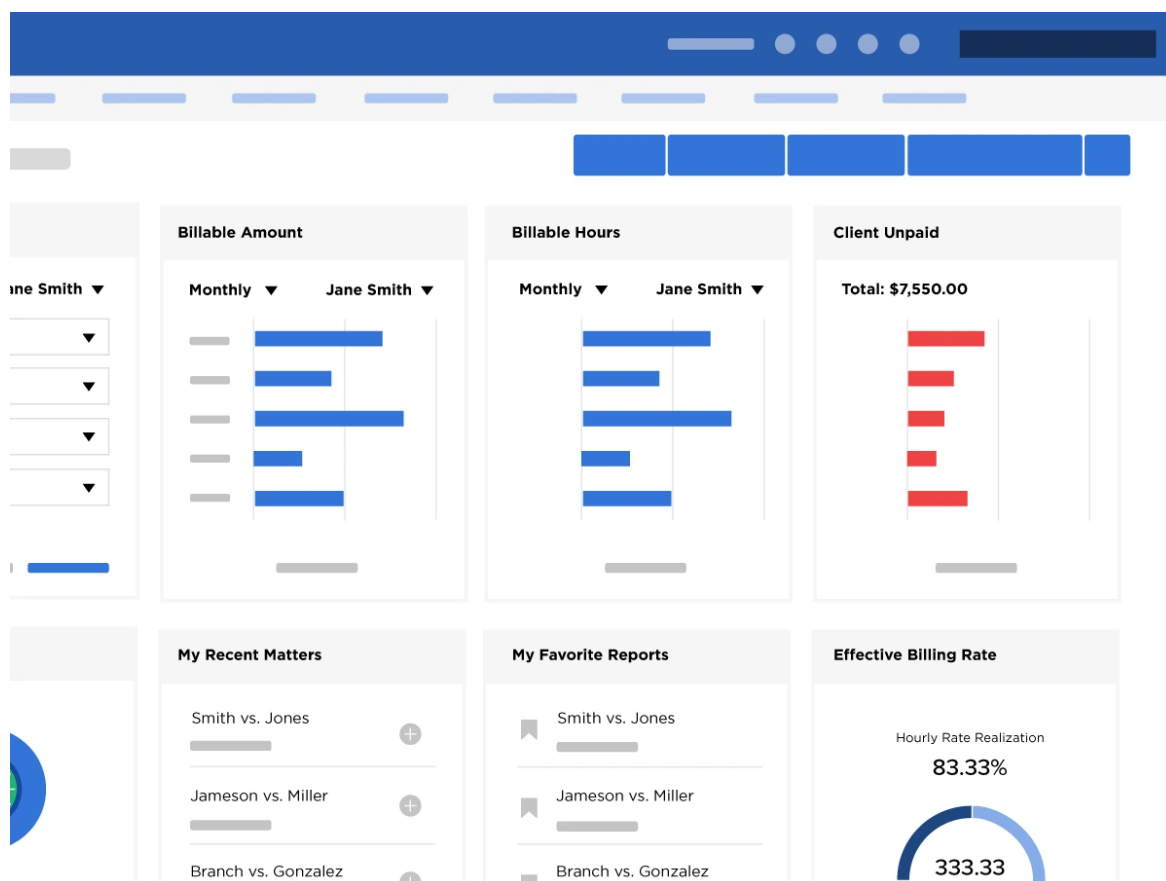

Gary B.

Process Server
