Do you have a friend or colleague with a business management system that's Kryptonite? Instead of making your friend's life easier, it drains the business by being too complicated or lacks the feature set needed to really run a business? Then come to the rescue. Be a super hero and share the power of Bill4Time.

Just refer-a-friend to Bill4Time. Your friend will get a 30-day trial, plus an extra 30 days free upon account activation.\* And, because you are such a super hero, you'll get a month free, too!\*

Simply go to [www.bill4time.com/client-refer-a-friend](http://www.bill4time.com/client-refer-a-friend) and enter your Bill4Time logon email. Then enter your friend's email address. Press "Share." That's it. You can be a caped crusader and save the day in less than a minute.
